

Interoperability of the trans-European Conventional Rail System

Declaration of Conformity

It is hereby declared that the rail fastening system

PANDROL FASTCLIP FC1600

has been examined and tested in accordance with Module CA of the Technical Specification for Interoperability relating to the Infrastructure sub-system as published in Commission Decision L126/53 (April 2011), and conforms to the requirements set out in the TSI for interoperability constituents, in accordance with Directive 2011/275/EU.

The variants of this rail fastening system which conform to the TSI are described in Pandrol Ltd. file Ref. TSI/CR/FC1600. This Declaration of Conformity applies to the fastening system described in that file, as supplied by Pandrol Ltd. group companies, and manufactured by Pandrol Ltd. group companies or their approved sub-contractors.
