## Transport Exemption – Attachment to application, Vehicle combinations with more than 10 axles

Indicate each axle load, each distance between axles (wheel space), and number of wheels per axle in the table below:

|                        |   |   |   |   |   |   |   |   |   |  |
|------------------------|---|---|---|---|---|---|---|---|---|--|
| Axle no.               | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 |  |
| Wheel space (cm)       |   |   |   |   |   |   |   |   |   |  |
| Axle load (ton)        |   |   |   |   |   |   |   |   |   |  |
| No. of wheels per axle |   |   |   |   |   |   |   |   |   |  |

|                        |    |    |    |    |    |    |    |    |    |  |
|------------------------|----|----|----|----|----|----|----|----|----|--|
| Axel no.               | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 |  |
| Wheel space (cm)       |    |    |    |    |    |    |    |    |    |  |
| Axle load (ton)        |    |    |    |    |    |    |    |    |    |  |
| No. of wheels per axle |    |    |    |    |    |    |    |    |    |  |

|                        |    |    |    |    |    |    |    |    |    |  |
|------------------------|----|----|----|----|----|----|----|----|----|--|
| Axel nr.               | 19 | 20 | 21 | 22 | 23 | 24 | 25 | 26 | 27 |  |
| Wheel space (cm)       |    |    |    |    |    |    |    |    |    |  |
| Axle load (ton)        |    |    |    |    |    |    |    |    |    |  |
| No. of wheels per axle |    |    |    |    |    |    |    |    |    |  |

|                                |  |
|--------------------------------|--|
| Summary                        |  |
| Wheel space (cm)               |  |
| Gross weight combination (ton) |  |
