Road Traffic Injuries – Part of the SDGs

A Global Culture (R)evolution

It is up to every individual to survive in a harsh environment We have to accept some victims It can never be acceptable that people are killed or seriously injured

Vision Zero – a Swedish Contribution to the Global Community

In October 1997, Vision Zero was passed by a large majority in the Swedish Parliament.

"It can never be ethically acceptable that people are killed or seriously injured when moving within the transport system."

Vision Zero, Safe System, Road to Zero.... "We Have Many Names for the Things We Love!"

U.S. DOT, NATIONAL SAFETY COUNCIL LAUNCH ROAD TO ZERO COALITION TO END ROADWAY FATALITIES New partnership aims to end traffic fatalities within the next 30 years https://www.transportation.gov/briefing-room/us-dot-national-safety-council-launch-road-zero-coalition-end-roadway-fatalities
