TRAFIKVERKET

EC declaration of conformity of interoperability constituents

SE/00002021006297/2026/000001

We,
Applicant:
Trafikverket

Declare under our own responsibility that the following interoperability constituent:

Overhead Contact Line ST 9.8/9.8

to which this declaration refers complies with the EU Directives and relevant Technical Specifications for Interoperability:
COMMISSION REGULATION (EU) No 1301/2014 of 18 November 2014 on the technical specifications for interoperability relating to the 'energy' subsystem of the rail system in the Union.

has been assessed by Notified Body:
Not applicable when using module CA

Under following approval(s) and/or EC certificate(s):
Not applicable when using module CA

The following conditions of use apply:

Maximum design speed:	**180 km/h**
Nominal voltage and frequency:	**15kV / 16 2/3 Hz**
Nominal current rating:	**900 A**
Accepted pantograph profile:	**1600, 1800 mm and 1950 mm**

The following procedures have been followed in order to declare conformity:
CA Module: Internal production control of commission Decision n. 2010/713/EU

Reference to the European specifications:
EN 50117, EN 50118, EN50119, EN50367
